

MATRIX

powered by Pro Mach 

Matrix Packaging Machinery, a division of PRO MACH, is the leading manufacturer of vertical form-fill-seal machines in North America. Founded in 1988, Matrix has a reputation for building rugged, easy to use and maintain machines. The lowest cost of ownership combined with experienced sales, application, and service support allow for the most profitable machines in the industry. Matrix has established long term customers throughout the world, packaging a wide variety of products in very diverse conditions.
